FEMA REGION 10
NORTHWEST REGION

Washington sits in FEMA Region 10 and hosts Joint Base Lewis-McChord — the DoD's premier West Coast power projection platform, home to I Corps and the 62nd Airlift Wing. Naval Base Kitsap / Bangor is the homeport for eight Ohio-class Trident ballistic missile submarines — carrying one-third of the US nuclear arsenal. Naval Station Everett, NSA Whidbey Island, and Fairchild AFB round out a dense military presence in Puget Sound.
