

Delaware Emergency Infrastructure

Tier 1 Civilian · Tier 2 Federal Permanent · Tier 3 State Permanent

FEMA REGION 3
MID-ATLANTIC REGION

Delaware sits in FEMA Region 3. The smallest state by area has a significant military presence — Dover AFB is one of the most strategic air mobility bases in the US and receives all military remains returned from overseas. The Delaware National Guard operates from several installations. Delaware has only 4 major state prisons serving its small population.
