

Michigan Emergency Infrastructure

Tier 1 Civilian · Tier 2 Federal Permanent · Tier 3 State Permanent

FEMA REGION 5
GREAT LAKES REGION

This volume documents publicly available emergency infrastructure across Michigan organized by operational tier. Tier 1 covers civilian coordination channels dependent on organizational function. Tier 2 covers permanent federal installations that exist and operate independent of civilian agency status. Tier 3 covers state-level permanent infrastructure. All data sourced from public government records. Use this volume to identify resources, plan routes, and understand what is available at each location in a disruption scenario.
