

West Virginia Emergency Infrastructure

Tier 1 Civilian · Tier 2 Federal Permanent · Tier 3 State Permanent

FEMA REGION 3
MID-ATLANTIC REGION

West Virginia sits in FEMA Region 3. The state's most significant defense asset is the National Radio Quiet Zone — a 13,000 sq mile area of restricted radio emissions protecting the Green Bank Observatory and the Sugar Grove Naval Radio Station (NSGA Sugar Grove), a classified signals intelligence facility. Yeager Airport hosts the 130th Airlift Wing. West Virginia has significant federal correctional infrastructure relative to its small population.

T1 TIER ONE — CIVILIAN EMERGENCY COORDINATION

Active when organizations are functioning

FACILITY / AGENCY	ADDRESS / CONTACT	FUNCTION / NOTES	STATUS
